

How to find us

We are situated approximately two miles off the A1 / A14 interchange on the northern outskirts of Huntingdon. From this junction follow the A14 east & on reaching the first roundabout, which has a Marriot Hotel on your right just as you are approaching, proceed straight on (2nd exit) following signs for Huntingdon A1126. At the next roundabout, which has a Shell Garage on the far side, again proceed straight on (2nd exit) which is signposted the "A141" to "March". At the next roundabout turn left in to Washingley Road past the Audi Garage on your right & drive up this for approximately 300 yards. Just before the road sweeps round to the right take the turning on your left (2nd since the roundabout) & our offices are immediately on your right. Our reception & parking is located to the front of the building which is arrived at by turning right & then right again.

Travelling by Train

West Anglian Great Northern Line operates train services from either Kings Cross or Peterborough to Huntingdon. We are a short taxi ride from Huntingdon Railway Station.
